

It's a New Year!!! It's a new Day!!

It's that time of the year again. Our 2021 membership fee is due. Please see attached form. Your 2020 Membership dollars went to very good use during this pandemic. As you have seen in our emails throughout the year, we have been very busy.

The 2021 Membership is even more important, we have had to adapt and make many changes this year like no other. Your membership dollars will allow us to continue adapting to make the absolute best 2021 we can.

Please submit your \$25.00 yearly membership by February 1, along with the form. Additional donations are always appreciated and tax deductible.

Along with your membership - class fees are due. These class fees will cover January, February and March. The fee for the three months is \$65.00. Whether you are participating virtually or in person we ask that you send a check for \$65.00. If you are taking multiple Zoom or in person classes please take that into consideration, and if you can add a little extra our center will greatly benefit from your generosity. We are paying our instructors every week, and to cover that cost we need your support. We need to collect enough money to pay their salaries and supplement our activities and events.

The Tenafly Senior Center is continuously seeking out sponsors and grants to help defer costs. This has become very important for our senior center to continue to keep running in the most active and positive way we can. We cannot THANK YOU enough for your ongoing support throughout the pandemic.

The TSC is doing our best to keep you active and entertained with our many different events.

You will be receiving a Three-Month Newsletter in the mail next week, along with a new exercise schedule and a Three Month Curbside Lunch schedule.

Please make checks payable to Tenafly Senior Center. Checks may be mailed to the Tenafly Senior Center at 20 S. Summit Street, Tenafly, NJ 07670.

Thank you for being you!!! Together we will keep the Tenafly Senior Center the extraordinary place it has always been.
